

Thrive Leaders Network : Agenda for 2010

The Thrive Leaders Network has been running in North East Lincolnshire since mid 2009.

Bi-monthly meetings give leaders of local Third Sector Organisations the opportunity to meet and connect, to inspire and support each other, to hear about and discuss leadership techniques and thinking and to take time out to develop themselves.

“ *If I had eight hours to chop down a tree,
I'd spend six sharpening my axe* - Abraham Lincoln

How much time do you spend 'sharpening your axe'? Are you too busy working *in* your organisation to take time to develop yourself?

The Thrive Leaders Network is your opportunity to develop.

Upcoming opportunities...

Monday 14th June – 5pm until 7pm

Monday 13th September – 5pm until 7pm

Monday 15th November – 5pm until 7pm

All venues will be in North East Lincolnshire.

Membership of the Network is free to those leading Third Sector Organisations based in North East Lincolnshire, as is attendance at each of the bi-monthly meetings.

Members have exclusive access to resources to develop leadership in themselves and their organisations. All meeting attendees have the opportunity to learn together in an environment promoting open discussion and development.
